The diagram illustrates a layout for a 'My Family & Relatives' page on a tablet in landscape mode. It features a header bar at the top with the title 'My Family & Relatives' and a navigation menu below it. Below the menu, there are two rows of three columns each, each containing a square frame divided by a diagonal line. To the left of these columns are hand-drawn wavy lines and horizontal lines, likely representing scrollable content or sections. At the bottom of the page is another navigation bar.

The sketch shows a rectangular frame divided into three horizontal sections. The top section contains a title 'Hobbies & Interests' and a navigation bar with links: Home, Education, CV, Relatives, Future plan, Hobbies, and Contact. Below this is a large central area with three columns of icons. Each column consists of two square icons with internal symbols (an 'X', an envelope with a circle, and a play button), followed by a series of five horizontal lines of varying lengths. The bottom section is another navigation bar with the same links as the top one, plus three small square input fields. Below this bar is a circular icon with a line extending from its bottom right.
